

Amendments to the Specification

Amend the Specification at page 2, between lines 7 and 9, by adding the following new paragraphs:

Brief Description of the Drawings

In the drawings:

Figs. 1 – 16c are formulae drawings for materials referred to herein.

Fig. 17 is a diagrammatic sectional view of an OLED device according to this invention showing layers thereof.

Fig. 18 shows four performance graphs for an OLED device according to the invention.

Fig. 19 is a table of color coordinates against voltage for an OLED device according to this invention.

Fig. 20 is a chart showing light output against wavelength for an OLED device according to the invention at various applied voltages.

Description of Preferred Embodiments
